## The Link: Olin's Campus-Wide E-Bulletin *June 15, 2012*

This newsletter includes news and information that will keep you informed of campus happenings.

**If you have information you would like distributed to the Olin community, please send it to [Announcements@olin.edu](mailto:Announcements@olin.edu)**

The next edition of **The Link** will be available on **July 20, 2012.**

### COMMUNITY ANNOUNCEMENTS

#### **Celebrate summer at Olin Family & Alumni Parties near you!**

Everyone is invited to Olin Summer Parties all over the US and world. RSVP now for parties next weekend (6/23-24) in Austin, Portland, and Arlington, VA . A big weekend of parties on July 14-15 includes Pasadena, Richmond, Palo Alto, Malvern, PA and Houston. Don't miss the fun. Check the dates and join new and current students, alumni, parents, family, faculty and staff at Olin parties all summer long!

#### **Commencement 2011: Photos, Diploma Frames and Video**

It's hard to believe Commencement is behind us! We wanted to send one final reminder about where to view [PHOTOS](#) and watch the [VIDEO](#); as well as how to build your own custom [DIPLOMA FRAME](#).

#### **Successful I2E2 Summer Institutes & More Visits**

I2E2 would like to send major thanks and a shout out to all who helped to make these the most successful Summer Institutes to date!

Upcoming visitors to campus include folks from National Healthcare Group (6/15), University of Pittsburgh (6/15), Yeungjin College (7/5 or 6), Dongseo University (7/10), Sungkyunkwan University (7/12), and a LASPAU-hosted group from several universities in Uruguay that will be here for a workshop (6/21). As always, please do not hesitate to contact [Sharon Breitbart](#) if you would like to be involved!

#### **PGP Blog: Meet Dr. Sylvie Boiteau '07**

Our latest entry is an interview with Olin's first MD, Sylvie Boiteau Stacy '07. Up next is Fun with Autonomous Robots with Andrew Bouchard '07. Check out all the stories at <http://blogs.olin.edu/pgp>.

### KUDOS

#### **A New Member of the Olin Family is Born!**

Nick Zola ('06) and Joy (Poisel '06) Zola are happy to announce the birth of their new baby boy, Luke James Zola. He was born on May 24, 2012 at 3:03 pm and weighed in at 8 lbs 2 oz and was 21 in long. And he has red hair! Both mom and

baby are doing very well, and Nick and Joy are thrilled to be new parents and to introduce the newest little Oliner into the world.

## **JOBS, INTERNSHIPS AND MORE...**

### **Hydraulic Institute- Parsippany, NJ**

#### **Associate Mechanical Engineer**

Facilitate development of technical standards and guidelines for pumps, maintaining documents per ANSI Essential Requirements and HI Policy and Procedures, and assist HI Director, Technical Affairs as required. [Click here](#) for the complete job description. Interested applicants should send a resume and cover letter to [Katherine Terracciano '11](#).

### **AMD Boston Design Center – Boxborough, MA**

#### **Summer/Fall Internship**

The BDC Central Verification team has an urgent need to fill an open intern position for Summer and Fall (back-to-back) 2012 tours. We need someone with experience in web technologies, primarily PHP, Javascript, jQuery, AJAX, etc. As a member of a team, develop automated IP qualification and delivery tools to support internal delivery of semiconductor IP. Create new tools to automate checking of IP quality against internal standards. Help debug and correct errors in the automation infrastructure. Must have knowledge of software concepts (OOP, data structures) and languages such as C, C++, and Perl or a similar shell scripting language. Knowledge of Ruby a plus. Database or SQL knowledge a plus. Knowledge of version control systems such as CVS or Perforce a plus. Knowledge of SystemVerilog, simulators, or logic design tools is a plus. Interested students should send their resumes to [Juliana Nazare '14](#).

### **Cooliance, Inc. Warwick, RI**

#### **Mechanical Engineer**

Cooliance, Inc. has an opportunity for a recent graduate with a B.S. in Mechanical Engineering. This position will focus on designing thermal management solutions for electronic products including servers, networking, telecom, medical, military and LED lighting. Responsibilities will include working with customers to assist them in designing the optimal thermal management solutions for their applications, developing CAD models, thermal modeling, testing and development of new products. We are seeking a candidate that has strong mechanical engineering and communication skills with an outgoing personality and level of confidence to work effectively with our customers. Previous experience in thermal management is desirable but not

required. Cooliance is a leader in providing thermal management products and engineered solutions to the electronic and LED lighting industries. Please provide your resume and cover letter to Michelle Murray, Human Resources, at [michelle.murray@cooliance.com](mailto:michelle.murray@cooliance.com).
