#### Olin Family and Alumni Summer Parties are coming!

Many thanks to the gracious volunteers who will be hosting parties in lots of locations around the U.S. as well as two overseas events! We still need a few more hosts, specifically in Houston, so please contact [Colleen Jones P'13](#) right away if you can help. The invitation to parties everywhere, with all the details, will be coming very soon, so get ready to celebrate Olin and gather with new, current and alumni families at parties near you!

#### I2E2 Summer Institutes Kick-off

Next week we will be joined by two dozen participants from around the world for I2E2's new Summer Institute short (1.5 day) programs, developed jointly with Dave Goldberg and ThreeJoy Consulting. Our flagship week-long Institute will take place the following week (Jun 4-8) and will include 50 faculty participants from around the country and the world. For more information on these programs, visit our new, updated [website](#)! We will continue to host visitors this summer, including folks from National Healthcare Group (June 15) and Sungkyunkwan University (July 12). As always, if you would like to be involved please

contact [Sharon Breitbart](#).

### What's the Latest on our Alumni?

Our Commencement Social with Alumni was a big success again this year with attendance by all community groups nearing 100 and rave reviews of the Spanish cuisine. As part of our alumni social we ask alumni to submit a slide including a few bullet points of "what they are up to now." It can be an update about graduate school, employment, accomplishments, fun, travel...whatever they want to share! A copy of this slideshow can be found [here](#) for those who were unable to attend the social (or want to see again).

### IT Department Summer Hours

The IT Department will modify its operating hours to our summer schedule. Help Desk support hours will be the following:

**May 28 – August 17:** Monday – Friday 8:00 am – 5:00 pm\*

\* Beginning **June 8 thru August 10**, summer Friday hours will be in effect: 8:00 am - 3:00 pm

Regular hours of 8:00 AM –6:00 PM will resume on August 20.

### A Single Thank You, Double the Impact

Each of our students and alumni has had one or two special mentors who have made a difference in their college or post graduate life. Staff and faculty may have a colleague who made a significant positive influence in their professional life, perhaps contributing to the success of a special project. The "Celebrate Olin Mentors, Engineers, Teachers and Staff" (**C.O.M.E.T.S.**) program is a great way to recognize these individuals by making a gift to Olin in their honor. By making a gift via C.O.M.E.T.S., you not only thank a member of the community but you also help our participation rates, which across all our constituents are some of the highest in the country. **Say "thanks" by giving a C.O.M.E.T.S. today and your gift will have double the impact!** (Note: The amount of your gift is confidential; thus, the recipient will not know the level of support you have chosen.).

The new Directory can be accessed from <https://alumnidir.olin.edu/>. **You should have already received a personalized e-mail from Will Clayton '06 sent to your alumni forwarding account with your username and password for the new Directory.** If you have any issues (or don't receive another e-mail with this information) please contact Matt Tesch '07 and Will at [OlinAlumniDirectoryAdmin@googlegroups.com](mailto:OlinAlumniDirectoryAdmin@googlegroups.com).

This [Guide](#) demonstrates some of the functionality of the new Directory with screenshots and such. **\*\*Please note that changes to your profile will not be saved until you click the appropriate "save" button on the field/entry you are editing.\*\*** We realize this is a work in progress and we appreciate your patience while we work through the inevitable bugs that will come with this wider launch.
